le Domaine de la Cour

Le Domaine de la Cour is one of those places off the beaten track with an authentic charm that allows you to recharge your batteries.

An environment of meadows near the sources of the Orne river, rooms installed in the old buildings of a renovated farmhouse (the barn, the wine press, the stables), comfortable accommodation, a regional restaurant, for breaks and relaxation, the swimming pool and billiards, to isolate oneself in small groups, the various terraces.

Ideally located in the center of Normandy, our structure welcomes groups from 2 to 200 people.

We will help you organize your event and make your stay a success.

We welcome you to the Domaine de la Cour.
